Community Activities List

A Message from the Coordinator:

Welcome to this Semester's Activity Program at ISB Elementary School.

ISB's ES Explore Program brings students and adults together for a series of nine (9) co-curricular activities sessions that are wonderful learning experiences that are also fun.

ISB's ES Explore program is designed to give our students an opportunity to explore and develop new interests.

The Registration Fee for **each activity** is 2,500 baht/Semester. The only **exception is** Taekwondo with a fee of 5,000 baht/Semester.

We encourage Pre-K and Kindergarten children to participate in after school activities. To help ensure the safety of our youngest students, we ask parents to make arrangements to have their child escorted from the classroom to any Activity they enroll in. The escort may be a parent, maid, driver or sibling. The Pre-K or K child's teacher should be informed of the escort arrangements.

Activities will begin the week of Monday, September 17th.
ALL Pre-K Activities run from 1:20 p.m. – 2:20 p.m.

K – Gr. 5 Activities run from 2:35 p.m. – 3:35 p.m. **On Early Dismissal Tuesdays please note that activities will run one hour earlier from 1:25- 2:25.**

For ES transport students, Montri Transportation Company will provide bus/van services at 3:50 p.m. (on Tuesdays bus will leave at 3:30). As the Activities Lists are finalized, the ES Activities Office will forward a listing of those children taking Activities to ISB's Montri Office. Montri will then issue modified bus passes. **If your child will not be riding their bus on a given Activity day as scheduled, please inform Montri.** For more information, please contact the Transportation Office (02-9635800 ext. 7704, 7706).

Here's to wonderful enjoyable learning time in the ISB ES Explore program.

Livnat Ziskinder

ES After School Activities Coordinator

ES AFTER SCHOOL ACTIVITIES REGISTRATION PROCEDURES

Please register online, print your form and along with your payment in **exact cash** or **check** for the **total amount** of your **First Choice Activities**. Please **submit your money and forms in the BOX** at the Community Activities Office on September 4th, 5th and 6th between 7:30 a.m. and 3 p.m.

Make checks payable to *International School Association*. To help ensure payment credit, please write your child's name at the bottom of your check.

The Registration Fee for each activity is 2,500 baht. The only exception is Tae Kwon Do, which meets twice a week and has a fee of 5,000 baht/semester.

If at all possible, for each day you register; please list a **First and Second** Choice selection for your child. If any of your child's First Choices are oversubscribed, this will greatly assist us in placement.

It is important that you meet the "on time" deadline September 5th. Registration forms submitted *after* September 5th will be processed only for activities that have not reached the maximum enrollment.

For many of our activities, the number of participants is limited. In order to be as fair as we can to all our students who wish to participate in the After-School Activities, the following procedures have been established. If more students apply for an activity than there is room for, the procedure for selecting students for the activity will be:

- 1) Upon the close of registration, the ES Explore coordinator will go through the list of students applying for each activity.
- 2) If the number of applicants exceeds the listed maximum enrollment for an activity, the coordinator will then randomly draw names from the list. (For second semester, consideration will be given to students who are applying for an activity that was unsuccessfully granted in semester one.)
- 3) If a child is not placed in their 1st Choice he/she will be placed in their listed 2nd choice activity for that day providing that the activity has not reached maximum enrollment. If the replacement activity is also full, you will be contacted to make another choice.

- 4) If an Activity has not reached the minimum enrollment of ten/twelve (10/12) during the initial phases of Registration, it will be cancelled. You will be contacted and your child will be offered the opportunity to register for another Activity.
- 5) If you are not contacted, you may assume that your child has been placed in either his 1st or 2nd choice activity for each day. No news is good news!

Your child's Activity Schedule and conformation of placement will be available online on your child's powerschool page on **Friday, September 14th**.

Despite our best efforts, the match between Activities and children may not always work out like we hope. If your child needs to withdraw from an Activity, please contact the ES ASA Coordinator directly. This must be done **before** the ES Explore schedule has started.

There is a NO REFUND policy for ES Explore. If your child wishes to switch ES Explore choice we would ask that this be done prior to the 3rd session. However, exception may be made at desiccation with the ES Explore coordinator.

NOTE: ES Explore does not encourage parent observation unless invited specifically by the instructor.

Monday Activities

Dates:	September 17, 24
	October 1, 8, 29
	November 5, 12, 19, 26
Activity	Grades

Activity Cost: 2,500

~ ~ ~ ~ ~

Activity: Beginner Mandarin Chinese for Non-native learners

Grades: K – 1 / 2 – 3

Day(s) Offered: Tuesday /Wednesday

Instructor: Chin Chin Fan

Through games, songs, rhythmic movements, story-telling and cultural activities and projects, students will begin to build up the fundamentals of high frequency Chinese vocabulary, phrases, and sentence structures from this beginner class. The class learning goals are mainly focused on listening and speaking skills. The topics such as daily greetings, self-introduction, talking about their family and school life, will be taught in this program. This student-centered, interactive, and culturally enriched class will be filled with lots of fun and hands-on activities which provide the most effective learning outcome to your child's Mandarin study.

Special Notes: Please prepare a plastic folder and pencils/erasers for your child to bring to each class

Activity Cost: 2,500

Activity: Bricks 4 Kidz's - Advanced LEGO Inventor

Grades: PreK/ K - 3

Day(s) Offered: Friday

Instructor:

Activity Cost: 2,500

Bricks 4 kidz delivers fun and exciting experience to children by giving them the opportunity to learn build and play with LEGO® bricks. Our specially designed project kits and theme-based models provide the building blocks for the Bricks 4 Kidz approach to educational play. Programs are designed with STEM education as the core and built around by proprietary model plans, designed by educators, engineers, and architects, with exciting themes such as space adventure, construction, and amusement parks. At Bricks 4 Kidz, we believe that children learn best through activities that engage their curiosity and creativity.

Activity Cost: 2,500

~~~~~

**Activity: Chess and Stamp Collecting**

**Grades:** 1 – 5

**Day(s) Offered:** Monday or Tuesday

**Instructor:** David Brown

Chess and Stamp Collecting is for children who want to learn to play chess, and start developing a stamp collection - a hobby that can last a lifetime. Mr. Brown, an avid stamp collector, puts together special stamp collections in a stamp notebook designed for each child. At the beginning of each meeting, children have the opportunity to purchase additional stamps from Mr. Brown to add to their growing collection before engaging in their weekly chess games.

**Special Note:** The instructor will provide each participant with a special Stamp Collecting album.

**Activity Cost:** 2,500

~ ~ ~ ~ ~

Activity: Year2 Mandarin Chinese for Non-native learners (G1-G2)

Grades: 1 - 3

Day(s) Offered: Friday

Instructor: Chin Chin Fan

Welcome back to Chinese learning! This class is especially designed for the returning students from our last year program or the new learners with prior learning background. Through games, songs, rhythmic movements, storytelling, and cultural activities/projects, students not only learn new topics but also reviewing the old vocabulary/phrases by repetitive oral practices. The new topics will be covered this year including nationality, face/body parts, clothing, transportation, hobbies/sports, and time-telling/dates. Besides developing the oral communication proficiency, the learning emphases of this class also aim to foster Chinese character recognition ability and hand-writing skills. Hands-on fun cultural activities such as festive food-making for Chinese traditional holiday celebrations will be offered if facility/equipment permitted.

Any Special Notes: Please prepare a plastic folder and pencils/erasers for your child to bring to each class

Activity Cost: 2,500

~ ~ ~ ~ ~

Activity: Yoga for Kids

Grades: 1 - 5

Day(s) Offered: Monday

Instructor: Tali Benzvi

Yoga is a wonderful way for kids to get connected with their bodies. Yoga stretches kids' bodies and minds, and boosts their confidence. It can help bring active minds into union with active bodies, and can help kids learn to calm both. Kids feel empowered by their ability to learn new poses, stretch into new positions, and stabilize their minds in a non-competitive environment.

Yoga can build stronger bodies and make kids more limber. It can teach kids new ways to relax and calm themselves when they feel stressed (which they

often do in today's world.)

With Tali's Yoga, kids can have fun, stretch their imaginations, play and have an insight into language in a relaxed environment.

Special Note: Please ensure your children wear comfortable clothing.

Activity Cost: 2,500

~ ~ ~ ~ ~

Activity: Zumba® Kids

Grades: K -5

Day(s) Offered: Wednesday

Instructor: Ynna Millana

Perfect for boys & girls in Grades K - 5. This program offers the children the chance to be active and “jam” to music. Aside from not requiring any previous dance training, Zumba Kids is also designed to appeal to children who are not attracted to traditional physical activities and team sports. Classes incorporate enjoyable activities that also promote childhood development elements like respect, leadership and teamwork, confidence, creativity and cultural awareness.

Activity Cost: 2,500
